Freedom of Information Request: Our Reference CTMUHB_132_25

You asked:

Under the Freedom of Information Act, I would like to request details of any celebrity or personal appearances undertaken on behalf of your organisation in the last 5 financial years.

This includes both private internal events (such as motivational talks for staff) and public events (e.g., the opening of a new facility, Christmas light switch-ons).

Also, I would like information on any instances where individuals have fronted or voiced publicity campaigns, including television or radio advertising.

For each hire, please provide the following details:

1. The date and nature of the event.
2. The name of the invited guest. For this request, "celebrity" or "notable person" refers to any individual specifically engaged due to their public profile or expertise, including motivational speakers, television personalities, public figures, war veterans, and others recognised for their achievements or influence.
3. The amount paid for their appearance, including any expenses, and whether the payment was directed to charity.

Our response:

We can confirm that we have not used or hired a celebrity/notable person in the last 5 financial years.
