Our response:

In response to your recent enquiry, please find below two tables populated with the information Medicines Management is able to supply at present. The period the data covers refers to 1st December 2024 to 28th February 2025, the latest 3 months available as requested.

Where the figures are less than 5, this has been denoted by **.

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain.

In our view disclosure of these low figures would breach the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.
