Freedom of Information Request: Our Reference CTMUHB_452_25

You asked:

Please be advised that the following questions are formulated for a formal request under the Freedom of Information Act (2000) (FOIA). They are presented with a view to eliciting precise and comprehensive information regarding the organisation's adherence to and engagement with national and international cybersecurity standards. This phrasing is intended to meet the requirements for a valid FOI request in the UK, ensuring clarity and a direct focus on recorded information.

Current Certifications

Please disclose which national or international cybersecurity standards the organisation currently holds a formal certification for. This should include, but is not limited to, standards such as Cyber Essentials (CE), Cyber Essentials Plus (CE+), IASME Level 1 & 2, and ISO/IEC 27001.

Welsh Government Directives

Kindly specify any national or international cybersecurity standards for which the Welsh Government has formally mandated or requested certification from your organisation. This pertains to recorded communications, contracts, or policies where such a directive is explicitly stated.

Historical Certifications

Provide details of any national or international cybersecurity standards to which the organisation was previously certified, but for which the certification has since lapsed or expired. For each expired certification, please include the corresponding expiry date.

In-Progress Certifications

Please detail any national or international cybersecurity standards for which the organisation is currently undertaking the certification process.

Assessment Outcomes

Disclose whether the organisation has failed any formal assessments for national or international cybersecurity standards. If a failure has occurred, please provide the name of the standard and the date of the failed assessment.

Our response:

We can confirm that NHS Wales Joint Commissioning Committee (JCC) are hosted by Cwm Taf Morgannwg University Health Board and adhere to their policies and procedures.

Therefore, the attached response (CTMUHB_421_25) which was issued to you on the 2 October, is also relevant to the JCC.
