Freedom of Information Request: Our Reference CTMUHB_483_25

You asked:

Please may I request, under the Freedom of Information Act 2000, the number of complaints received by the **Princess of Wales Hospital** in Bridgend, regarding orthopaedic consultants not placing a patient on a waiting list for surgery.

I would like this information for the following financial years:

2022/23

2023/24

2024-date

Please, if possible, can the figures be broken down by upper limb and lower limb consultants.

If providing the reason for complaints against orthopaedic consultants incurs the fees exemption, please could I instead request the number of complaints received in general, broken down by financial year and by upper and lower limb consultants.

Our response:

We can confirm that there are no complaints recorded on DATIX (incident reporting system), regarding orthopaedic consultants not placing a patient on a waiting list for surgery at the Princess of Wales Hospital, for the time period requested.
