Freedom of Information Request: Our Reference CTMUHB_489_25

You asked:

1. The number of hospital admissions in the last five years, where the primary or secondary diagnosis was:
 - a. Scabies, and
 - b. Eczema (including atopic dermatitis and related eczema codes).

Please provide the data:

- Broken down by month, and
- By condition (i.e., whether the admission was for scabies or eczema).

Our response:

Please see information shown in the table below. Please also note there could be a delay in the coding process resulting in some cases missing from the list.

Where the figures are less than 5, this has been denoted by **. The exact figures have been withheld due to the low numbers involved.

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain. Also, responses under the Freedom of Information Act are made available to the public at large. The data is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.
