Freedom of Information Request: Our Reference CTMUHB_427_25

You asked:

1. The total number of re-banding applications that were received prior to the implementation of the current freeze and are still awaiting processing.

There are no re-banding requests received prior to the implementation of the current re-banding freeze which are still awaiting processing.

2. The total number of re-banding applications that have been received following the freeze

There has been a total of 24 re-banding applications received (applications that are complete, have all the relevant approvals and documentation and are ready to process) that have been received following the freeze.

3. The date on which the current freeze is due to be reviewed

The freeze on the re-banding of posts remains in place. Review of this decision is likely to be at the end of the financial year for 2025 / 2026.
