Freedom of Information Request: Our Reference CTMUHB_444_25

You asked:

I'd be grateful if you could provide the following data, in accordance with Freedom of Information guidelines:

1. How many new cancer diagnoses occurred (excluding non-melanoma skin cancer) within your local authority between each of the following years:

- 1965-1970
- 1971-1975
- 1976-1980
- 1981-1985
- 1986-1990
- 1991-1995
- 1996-2001

Our response:

We can confirm that the Health Board does not hold the data for the time frame requested. Cwm Taf Morgannwg University Health Board was established in 2019.

During the requested time period (1965-2001), cancer data was collected by regional cancer registries and not by modern local authority boundaries. Many local authority areas also did not exist in their current form before 1996, with multiple re-organisations taking place during that period and after.

However, Public Health Wales may be able to assist you. They can be contacted via Email: phw.foi@wales.nhs.uk.
