## Freedom of Information Request: Our Reference CTMUHB\_446\_25

### You asked:

I am writing under the Freedom of Information Act 2000 to request the most up-to-date list of all GP practices in Wales. Specifically, I would like the following information in a word document please.

#### • Generic practice email address (@[nhs.net](mailto:@nhs.net))

I understand this information is held by NHS Wales and is available under the FOI Act.

### Our response:

For publicly available information, including email addresses, we recommend using the [NHS 111 Wales GP Surgery Directory](#), which provides searchable access to GP surgeries across Wales.

Please note - GP practices in Wales operate as independent contractors and manage their own contact details, including email addresses. Therefore, if the information you require is not already in the public domain, you will need to contact the practice directly for them to disclose their specific email address, if appropriate.

However, to assist you with your request, please see below the list of surgeries in the Cwm Taf Morgannwg area and their addresses.
