Freedom of Information Request: Our Reference CTMUHB_213_26

You asked:

Q1. How many patients have been treated (for any condition) in the last 4 months with:

- Benralizumab
- Dupilumab
- Omalizumab
- Reslizumab
- Mepolizumab
- Tezepelumab

Q2. How many patients have been treated in the last 4 months by the Respiratory Medicine department ONLY with:

- Dupilumab
- Omalizumab

Q3. How many patients have been treated in the last 4 months for Chronic Obstructive Pulmonary Disease (COPD) with:

- Dupilumab
- Mepolizumab

Our response:

Please find below two tables populated with the information Medicines Management are able to provide at this current time. The period the data relates to 1st December 25 to 31st March 2026.

Q1.

Medicine	Number of Patients
Benralizumab	44
Dupilumab	298
Omalizumab	93
Reslizumab	0
Mepolizumab	77
Tezepelumab	111

Q2.

Medicine	Number of Patients
Dupilumab	5

Q3.

Unfortunately, Medicines Management are unable to provide any information in relation to Question 3 and this is because our electronic pharmacy systems do not record this level of patient detail.

We can confirm that the Health Board does not centrally record this information. The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would require a manual trawl and significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.
