Freedom of Information Request: Our Reference CTMUHB_223_26

You asked:

I am writing to request information under the Freedom of Information Act 2000.

Please could you provide the following information:

1. How many patients have you recorded that have had complications arising from Melanotan II over the past 4 years? Please provide a yearly breakdown for 2022, 2023, 2024, 2025 and 2026 so far and if possible, the details of those complications.

Our response:

We can confirm that the Health Board does not centrally capture the specific information requested regarding Melanotan II, as is not specifically coded.

The information you require would be recorded within an individual patient's health record as part of their ongoing care. To provide you with this information, would require a manual trawl and significantly exceed the 18 hours time and £450 cost limit set out within Section 12 of the Freedom of Information Act.
