Freedom of Information Request: Our Reference CTMUHB_236_26

You asked:

I am sending this email to find out whether you hold information regarding GP surgeries' catchment areas. I tried to find this information online and I found a previous FOI request but this was when the health board was known as Cwm Taf and didn't include Bridgend, the latter of which I am particularly interested in. Thus, I would be grateful for an email attachment of any appropriate file format with the catchment areas of each GP surgery in Cwm Taf Morgannwg.

Our response:

Please see the link below for GP practice boundaries information, which has been recently added to the Health Board's website.
