Freedom of Information/ Environmental Information Regulations Request: Our Reference CTMUHB_123_26

You asked:

I am writing to request information under the Freedom of Information Act 2000 and/or Environmental Information Regulations 2004.

Please provide details of all the occasions on which wards, departments or services at hospitals and other sites operated by your NHS Wales local health board have been temporarily or permanently closed due to flooding caused by external weather events e.g. heavy rainfall, river flooding etc., over the period 2021/22 to 2025/26.

Specifically, please provide the following information in a spreadsheet format:

- Site name (e.g. hospital)
- Name of ward/department/service that was affected
- Length of closure
- Dates of closure

I realise that the 2025/26 data will be incomplete, but please provide information for 2026 up to 24 February.

Our response:

I can confirm that there have been no closures due to flooding in this five-year period.
