

Freedom of Information Request: Our Reference CTMUHB_88_26

You asked:

I would like to request some information under the Freedom of Information Act please.

Please see specific questions below.

1. Manufacturer and model of all endoscopic imaging systems and video endoscopes in use within the trust.
2. Location within trust (hospital site)
3. Age of each unit in situ (date of manufacture or date of installation)
4. Associated planned replacement programmes or supplier contracts in place

Our response:

Please see the information that is held centrally by Clinical Engineering, provided in the table below.

Currently there no new specific active planned replacement programs except for when capital is available or identified failures of equipment.
