Freedom of Information Request: Our Reference CTMUHB_31_26

You asked:

I am conducting academic research into public-sector health communications relating to autism and ADHD in adults.

Please provide details of any public-facing communications that relate to autism and/or ADHD produced, commissioned, or disseminated between 1 January 2019 and 31 December 2024 by Cwm Taf Morgannwg University Health Board.

Suitable examples of communications should include:

- Public awareness campaigns
- Social media posts, reels, or videos
- Posters, leaflets, or visual assets
- Public-facing digital content specifically intended for a general audience

Please exclude service navigation pages, internal staff communications, or training materials.

If no such materials exist, please confirm this explicitly.

Our response:

We can confirm that Cwm Taf Morgannwg University Health Board does not hold central records of the information that has been historically published via any of our public-facing communication channels.

Under Section 21 of the Freedom of Information Act, we are also not required to provide information in response to a request if the information is already reasonably accessible to you.

In order to fulfil our obligation under Section 16 of the Act to provide advice and assistance, please see listed below our public-facing communication channels which you may wish to visit to review and identify any information that may fall within the description of your request:
