Freedom of Information Request: Our Reference CTMUHB_32_26

You asked:

I am writing to submit a request under the Freedom of Information Act 2000 relating to the structure, staffing and activity of Cancer-Associated Thrombosis (CAT) services within your organisation.

The request is being made to support service benchmarking and planning work across UK cancer services.

The questions are designed to request existing data only and, where possible, are framed as tick-box or numerical responses to minimise burden.

If any element of the request exceeds the FOI cost limit, please advise which questions cannot be answered and provide responses to the remainder.

If your organisation does not operate a dedicated CAT service, a brief confirmation would be appreciated.

Our response:

We can confirm that CTMUHB does not operate a dedicated CAT service and are therefore, unable to provide the specific information requested.
