Freedom of Information Request: Our Reference CTMUHB_52_26

You asked:

Under the terms of the Freedom of Information Act, 2000, please supply me with the following information about your registered nurse workforce, (if possible, laid out as below):

Please note - The information provided in the responses below is obtained from the Electronic Staff Record (ESR).

1) Please state how many full-time (FT) equivalent registered nurses your health board or trust employs at the following banding levels:

Band	Number in 2026	Number in 2025	Number in 2024	Number in 2023	Number in 2022
7	558	557	545	540	543
8*	178	177	179	158	149

*This includes Band 8A, Band 8B, Band 8C, Band 8D.

2) (i) Please state how many FT equivalent clinical nurse specialists your trust employs both now and in 2022, please show by AfC band if possible:

Number of clinical nurse specialists employed at present time (at band?)	Number of clinical nurse specialists employed in 2022 (at band?)

(ii) Areas of clinical practice covered (if it is possible to provide this info):

The Health Board does not hold the data in a format that would enable us to fully respond to your request to the level of detail required.

Due to data quality issues with the recording of nurse specialists within the ESR system the only way we could identify information specifically for clinical nurse specialists would be to manually review each one individually. Therefore, we would have to carry out a specific exercise to collate this data. From our preliminary assessment, we estimate that to comply with your particular request would exceed the appropriate costs limit under section 12 of the Freedom of Information Act 2000. Therefore, we are unable to provide.

3) Finally, please state how many FT equivalent nurses your trust currently employs:

Total number of Full Time nurses employed by your trust at any banding level	2,698
