Freedom of Information Request: Our Reference CTMUHB_147_26

You asked:

Freedom of Information Act 2000 request

Please provide the recorded information set out below relating to ophthalmology services provided by Cwm Taf Morgannwg University Health Board (CTMUHB). For the purposes of section 8 of the Act, please treat this email address as my address for correspondence.

Unless stated otherwise, please provide the information for the period 1 January 2020 to 31 December 2025. Please provide monthly data where it is held in that form. Where the information is held at both CTMUHB level and by hospital site, please provide a CTMUHB total and a breakdown by site (for example: Royal Glamorgan Hospital, Prince Charles Hospital and Princess of Wales Hospital), where recorded.

A. Waiting list and RTT (ophthalmology) –

1) Monthly numbers of patients on the ophthalmology RTT waiting list, including (where recorded):

- Total waiting
- Number waiting over 26 weeks
- Number waiting over 36 weeks
- Number waiting over 52 weeks

CensusDate	Site	Total Waiting	Over 26 Wks	Over 36 Wks	Over 52 Wks

5) Where recorded, for CTMUHB-initiated cancellations:

- **Number rebooked**
- **Average time to rebook (or median, if that is what is held)**

Unfortunately, we are unable to provide this data as the health board records the date the appointment was cancelled but does not record the date the appointments were booked only the actual date of the appointment is recorded.

6) Copies of any recorded CTMUHB policies or SOPs in force during the period that relate to:

- **Managing cancellations and rebooking**
- **Managing DNA patients (including any criteria for removal from a waiting list)**

  Please see link below:

- planned-care-waiting-times-guidance-april-2025.pdf

C. Capacity and staffing (high-level)

7**) Where recorded, monthly or quarterly figures for ophthalmology outpatient clinic capacity (for example, number of clinics held and/or clinic slots offered and/or clinic slots utilised).**

We do not hold this information.

8) Ophthalmology staffing establishment and vacancy figures by staff group (monthly or quarterly where recorded), including:

- Consultants and specialty doctors **- 10 Consultants and 11 Specialty doctors.**

- Nursing staff
- Optometrists/orthoptists (if applicable within ophthalmology services)
- Administrative staff supporting ophthalmology **– 28 administrative staff including management.**

D. Internal Investigations

10) How many cases have been investigated internally with a view to establishing failings in ophthalmology care, with specific reference to delays in care.

We do not hold this information.

11) How many of these investigations:

a) Identified failings
b) Resulted in patients being contacted to advise of the investigation.

As above.

Notes on scope

- This request seeks aggregate/anonymised information only. Please do not provide any patient identifiable information.
- If the information is only held in a different reporting period (for example, quarterly), please provide it in the form held.

12) Please also provide us with both local and national pathways / strategies.

We are unable to provide.
