Freedom of Information Request: Our Reference CTMUHB_180_26

You asked:

I am writing to request information under the Freedom of Information Act 2000 regarding Policy CP69 (Surgical Management of Breast Development / Gynaecomastia).

Please provide the following information:

Equality Impact Assessment (EQIA):

1. A copy of the current Equality Impact Assessment for Policy CP69. If no current EQIA is held, please confirm this explicitly and provide any previous versions held.

Review and Compliance:

2. The date on which the EQIA was last reviewed or updated to ensure compliance with the Public Sector Equality Duty (PSED) in Wales.

Record Migration and Availability:

3. Confirmation as to whether the EQIA (or equivalent equality documentation) for

Policy CP69:

4. was included in the migration from WHSSC to the Joint Commissioning Committee in April 2024, and is currently held and accessible within JCC systems or associated archives.

If Not Held:

If the EQIA is not held or cannot be located, please confirm:

5. whether it is considered lost, not created, or not transferred during migration, and
6. whether any searches (including backups or legacy systems) have been conducted to locate it.

If any part of this request exceeds the cost limit, I would be grateful if you could advise how it may be refined

Our response:

1. Information not held
2. Information not held.
3. Question not complete.

4. Systems utilised by WHSSC fully transferred over to the JCC on 1 April 2024. The document (CP69) is also available to the public via the NWJCC website.
5. Information not held.
