Freedom of Information Request: Our Reference CTMUHB_308_26

You asked:

For the period from 1 January 2023 to the most recent date available, please provide:

- 1. The total number of inpatient admissions where the patient was recorded as being in custody or transferred from a HM Prison Service establishment.**

Please note the same patient can be admitted more for than once. We can only include patients that had an address recorded as a prison at the time of admission, we are unable to identify any data for patients that may have been in custody at the time of admission.

Number of Admissions = 392

- 2. For each admission, or in aggregate if individual records cannot be provided:**
 - a) The patient's recorded gender**
 - b) The patient's recorded ethnicity**
 - c) The primary diagnosis or reason for admission, recorded by ICD-10 code or category**
 - d) The specialty or department to which the patient was admitted (e.g. emergency medicine, general surgery, cardiology)**

Please see the aggregated information provided below. Noting the following:

- The same patient can be admitted more for than once. We can only include patients that had an address recorded as a prison at the time of admission, we are unable to identify any data for patients that may have been in custody at the time of admission.
- The Health Board records sex not gender.

- a) The patient's recorded gender – All were male (392).
- b) The patient's recorded ethnicity

- Not stated – 190
- White – 199
- Other – 3

c) The primary diagnosis or reason for admission, recorded by ICD-10 code or category
