

## Freedom of Information Request: Our Reference CTMUHB\_375\_21

### You asked:

I am writing this email, under the freedom of information act, to request data for actual admissions to Cwm Taf Morgannwg University Health Board (CTMUHB) for the months of June - August for covid infection. To be specific, I request actual hospital admissions, not positive test numbers.

I also kindly request the age groups of covid patients and vaccination status.

### Clarification provided on 22 September:

I required the following information under the foi for the period June - September 2021.

Hospital admissions with covid, age range of admissions, deaths from covid and vaccination status. By vaccination status, I request the information from day 1 since they received vaccination not just after the 14 days.

### Our response:

For the data Period 01/06/2021 – 30/09/2021. Please see provided below the number admissions by age range within CTMUHB Hospitals with Covid coded in any position of diagnosis and vaccination status. Please note patients could be residents of other health board areas.

Deaths	Age range	0 Dose	1 Dose	2 Doses
25	48 - 97	4	0	21

Please note:

- Patients could be residents of other health board areas.
- The source of the data used for this response is the Office of National Statistics (ONS) data Registered Deaths, supplied to us via Digital Health and Care Wales (DHCW) formerly the NHS Wales Informatics Service (NWIS). As such, there will be a time lag on the reporting of deaths, as ONS data awaits the official clinical determination of death.
