

Freedom of Information Request: Our Reference CTMUHB_463_21

You asked:

I was wondering if you can provide some clarity on the PCR tests that are currently conducted on behalf of the Cwm Taf health board.

I am specifically looking for the total number of cycles all/most of the tests are completed at and if the number, of cycles has remained the same or has changed at all over the course of the pandemic. If the total number of cycles has changed, when they were changed and what the revised cycle was.

Please can you also advise if the Covid variant is also confirmed as part of the PCR testing process.
