

Freedom of Information Request: Our Reference CTMUHB_474_21

You asked:

Please provide the number of patients that have been treated for COVID-19 at the **Princess of Wales** Hospital during June, July and August 2021.

Out of the number of patients treated for COVID-19 please state how many had received two doses of the COVID-19 vaccine, one dose of the COVID-19 vaccine and those that had received zero doses of the COVID-19 vaccine.

Our response:

Please see the information provided below for the date period 01/06/2021 – 31/08/2021 for patients admitted to the Princess of Wales Hospital only that registered Covid 19 positive on arrival.

Vaccine Doses	Patients
1	**
2	38
0	28

Please note:

- Patients could belong to another University Health Board (UHB) area.
- Distinct patients – could have been admitted more than once.
- Patients may not necessarily have had treatment for Covid 19, but registered Covid 19 Positive on arrival.
- Where the figures are less than 5, this has been denoted by **. The exact figures have been withheld due to the low numbers involved.

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain. Also, responses under the Freedom of Information Act are made available to the public at large. The data is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.
