

## **Freedom of Information Request: Our Reference CTMUHB\_94\_21**

### **You asked:**

How many people have died in your hospital from covid-19 alone? As in they died only due to covid-19. I can see the figures that you publish online, but these are deaths within 28 days of a positive covid test, so they could have died from other causes i.e. pre-existing medical conditions. I just want to know the exact figure from 1st February 2020 until 20 January 2021 of people that have died due to covid-19 and not anything else please?
